Even the shadow of the moon on the window seemed full of love.

IT'S GOING TO BE ME ALONE FROM TODAY.
I have few clothes.
and few coins and photos.
That was all of my luggage. The moving was finished quickly

When I was wandering around the village I didn't feel sad at all.
Without feeling anything. I walked around the places to look for a place to sleep and things to eat
Like an animal.
When I think about those times I could have sad feelings now because of what Erl did for me..so it wasn't too bad.

WOW...
FIRST EAT PROPERLY EAT WITHOUT RESTING
IF YOU EAT WELL, YOU CAN LIVE IN THIS WORLD SOMEHOW

Even when I was thinking that,
Even sadness and loneliness can only be felt when you are happy—
